VENDOR NEWS

LORD CALVERT CNDN 80 PF—**111-013636-75** has been discontinued and replaced by LORD CALVERT CANADIAN SIGNATURE **111-013647-75**

Starting in February, REBEL YELL **151-021206-75** is having a bottle and label change.

NIKOLAI VODKA 80 PF **280-036972-05** is now repackable.

AGAVE LOCO, LLC- RUM CHATA **404-073054-17** Due to the strong demand on Rum Chata during the holidays and the explosion of shipments into January, we are out-of-stock on the 1.75L. We are in the process of getting additional bottles but due to the lengthy lead times to produce the unique bottle, this may take up to 8 weeks to replenish our inventory.

MOET HENNESSY: GLENMORANGIE TASTING COLLECTION 4 PACK **010-001258-01** - This item will be under going a package change and won't be available until June.

We received the following information in regards to Crown Apple from the supplier (Diageo): Diageo “Due to the popularity of Crown Apple, Diageo is experiencing supply difficulties. **NOTE:** volumes to be received by Diageo have not been confirmed and Montana is not guaranteed any quantities. Please know all sizes of Crown Royal Apple are being reviewed daily and as soon as products are made available we will expedite shipments of Crown Apple to Montana.”

SAZERAC R&Rs — As you likely know, the art of making really good Canadian whiskey lies in the blending. Over the past several years, they have been working to develop a proprietary recipe that delivers the same great taste with even more smoothness. Their labels have now been updated to reflect results of that work. They hope their customers continue to enjoy the Rich & Rare brand whiskey with the extra smoothness. R&R has had a formula change **correction** (now **brand** whiskey, not brandy whiskey).
